

# Mr. S. Derringer

## Trustee

### About

Stephen has had many years working in the field of education since qualifying as a Teacher of Music in 1975. He has taught in secondary schools both in Warrington and in Liverpool, where he was Director of Music at St Margarets' C E High School until his retirement. Stephen has had considerable experience at being a school Governor in both Primary and Secondary education.

For the last 25 years Stephen was a Governor of Wavertree C E School where he was Vice-Chair and latterly Chair of Governors until retiring from the Board of Governors last summer, having steered the school and Governing body through three Ofsted inspections. Stephen has been a member of the Diocesan Board of Education for many years and sits on the Executive Sub Committee for schools.

He also sit on the committee to appoint Foundation Governors to Church of England schools. Stephen has also been a church organist for the whole of his adult life, although he now prefers to play occasionally at Liverpool Parish Church, where his wife and family regularly attend. Stephen is also on the Parochial Church Council and Liverpool Diocesan Synod, as well as holding Directorships for the Liverpool Diocesan Board of Finance and the Liverpool Diocesan Educational Trust. As a Trustee to Quest, I will strive to support the Trust to the best of my ability.
